# NAPA

This impressive end unit condo, located on the third and fourth floors, is a true embodiment of luxury and style. Featuring a spacious kitchen with a magnificent 12-foot island, a dedicated office space, and an abundance of windows that fill the condo with natural light and creates an ambiance of airiness and sophistication. The second level is dedicated to the bedrooms, convenient central laundry area, a spacious loft, and three terraces. The master suite boasts its own private terrace, and an additional bedroom has access to a second private terrace providing the opportunity for relaxation and taking in the surroundings. This unit is truly a grand living space.
