

1,235 SQ FT | 2 BR 2BA

SEDONA

This thoughtfully planned layout offers a unique design, with all amenities on the main level for easy, single-floor living. Venture up to the second floor to discover a second bedroom complete with its own full bath. Each of these end units are located on the ground level, with easy access to your private garage, and is complemented by a ground-level private patio where you can relax with a morning coffee, bask in the sun, or enjoy evening breezes.
